What they build

FINANCE
An analyst that closes the month and writes the board commentary

MARKETING
A campaign that plans itself, launches, then reports on itself

OPERATIONS
A control tower that catches a late order while it can still be saved

HUMAN RESOURCES
A hiring funnel that screens, scores and schedules without you

ANALYTICS
A model your team can question in plain English

SUPPLY CHAIN
A planner that redraws the week the moment a route closes

ENTREPRENEURSHIP
An MVP for your own idea, built well enough to show an investor

YOUR OWN IDEA
Bring the problem. We cut it down to something buildable
