## Annual E-Governance Report

### Annual E-Governance Report 2022-23

E-Governance refers to the use information and communication technologies (ICTs) to enhance and improve the efficiency, effectiveness, transparency and accessibility of government services and interactions with various stakeholders like parents, students, alumni, Parent University and other government entities. It aims to digitize and streamline various processes, making them more accessible, user-friendly, and cost-effective in the institution.

**In our Institution we do follow E-Governance in the below mentioned Areas:**

- 1. ERP [Enterprise Resource Planning]:** ERP system facilitation the flow of information and enables efficient communication between different parts of an organization. **We have ERP Software by name “ EDUMARSHAL” with the following module facilities like**
  - 1. Administration including complaint Management**
  - 2. Finance and Accounts**
  - 3. Student Admission and Support**
  - 4. Examination**
- 2. Institution Website:** An educational institution website is a powerful marketing, communication, and engagement tool. It acts as the digital face of the institution and plays a vital role in attaching and retaining students, promoting the institution’s reputation, and fostering a sense of community among stakeholders. Regional College of Management, Bengaluru was established institution website with all the information at <https://www.rcmb.in/>
- 3. Examinations:** End term UG & PG examinations are conducted by Bengaluru North University Examination Unit [Parent University]. Examination related activities are updated and tabulated in the Examination portal of the Parent University. Exam fee payment, question paper indent, internal assessment entry are done through Parent University Exam Portal.
