REPORT OF VALUE ADDED COURSES CONDUCTED FROM 04/01/2021 TO 20/01/2021 ON THE COURSE CALLED EMPOWERING MINDS

Resource Person Name: Dr. S.R. Mandal

No of Students attended: 68

Course duration : 30 Hrs

Pre-Requisite : None

Introduction

Workshop on Empowering Minds is a transformative event designed to help individuals unlock their full potential and cultivate a growth mindset. The workshop introduction sets the tone for a day of deep introspection and personal growth, emphasizing the importance of self-awareness and positive thinking. Participants engage in various activities and exercises that challenge limiting beliefs and encourage them to step out of their comfort zones. The workshop covers a range of topics designed to help attendees unlock their full potential and cultivate a positive mindset. From interactive activities to thought-provoking discussions, each session is carefully crafted to inspire personal development and foster resilience.

Outcome

The outcome of workshop on Empowering Minds is profound transformation at both an individual and collective level. Participants leave with increased confidence, clarity about their goals, enhanced communication skills, improved decision-making abilities, all while building strong relationships with like-minded individuals who share similar aspirations for personal growth. Ultimately, this workshop serves as a catalyst for unleashing untapped potential within each person's mind - empowering them to take control of their lives and create meaningful impact in the world around them. By the end of the workshop, participants walk away with valuable tools and strategies to overcome challenges, build confidence, and reach their goals. With newfound knowledge and skills in hand, they are empowered to take on any obstacles that come their way.

Content

The content covers topics such as goal setting, resilience, and emotional intelligence, providing practical tools and strategies for overcoming obstacles in both personal and professional life. Workshop content for empowering minds will encompass a variety of key components to help participants foster growth and self-empowerment. Those are

1. Understanding the power of mindset and how thoughts can shape our reality. Through interactive exercises and discussions, attendees will learn how to identify limiting beliefs and reframe them into empowering ones.
2. Building resilience and coping mechanisms for overcoming challenges. Participants will engage in role-playing scenarios that simulate real-life obstacles, allowing them to practice problem-solving skills in a supportive environment.
3. The importance of self-care practices such as mindfulness, meditation, and journaling. Attendees will explore different techniques for managing stress and enhancing emotional well-being.

REPORT OF VALUE ADDED COURSES CONDUCTED FROM 17/08/2020-02/09/2020 ON THE COURSE CALLED LABOUR LAW

Resource Person Name: Prof. Ravi Thilagan

No of Students attended: 67

Course Duration : 30 Hrs

Pre-Requisite : None

Labour law, also known as employment law, governs the relationship between workers, employers, trade unions, and the government. It encompasses a wide range of legal topics and issues, including but not limited to employment rights, working conditions, collective bargaining, health and safety, and dispute resolution.

The objectives of labour law are multifaceted, aiming to balance the interests of workers, employers, and the broader society. These objectives include:

1. Protecting worker rights.
2. Regulating working condition.
3. Promoting Social Justice.
4. Facilitating Economic Efficiency.
5. Supporting Industrial Relations.

Course Content:

- Industrial relations – certification of unions, labour-management relations, collective bargaining and unfair labour practices;
- Workplace health and safety;
- Employment standards, including general holidays, annual leave, working hours, unfair dismissals, minimum wage, layoff procedures and severance pay.

Labour law, when effectively implemented and enforced, can have significant positive impacts on workers, employers, and society as a whole. Here are some key outcomes:

Outcomes:

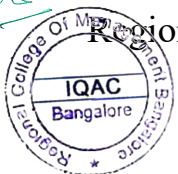

Improved Working Conditions

Protection of worker's rights

These outcomes collectively contribute to the development of a fair, just, and productive society, benefiting not only workers and employers but also the broader economy and social fabric.

No of Students attended: 63

Course Duration : 30 Hrs

Pre-Requisite : None

Introduction

The Workshop on Stress Management begins with an introduction to stress management, providing participants with a comprehensive understanding of the impact of stress on mental and physical health. The workshop introduces stress management techniques and strategies that individuals can implement in their daily lives. Through interactive sessions and group activities, attendees are guided through various techniques and strategies for coping with stress in their everyday lives.

Course Content

The content of the workshop covers topics such as

1. mindfulness practices,
2. relaxation exercises,
3. time management skills, and
4. communication strategies to enhance resilience in challenging situations

Outcome

The outcome of the workshop is aimed at empowering individuals to recognize their own stress triggers and develop personalized action plans to effectively manage and reduce stress levels. Participants can expect to learn how to identify sources of stress, recognize physical and emotional responses to stress, and develop coping mechanisms for managing stressful situations effectively.

The content of the workshop also includes discussions on the impact of chronic stress on mental health and well-being, as well as practical tips for creating a healthy work-life balance. By the end of the workshop, participants will have gained valuable insights into understanding and controlling their stress levels more effectively.
