Report on Environment Day

Environment Day on 5th of June. As part of our unwavering commitment to environmental stewardship, Regional college of Management Bangalore have meticulously organized a series of activities and events designed to foster heightened awareness and promote sustainable practices on June 5th 2021

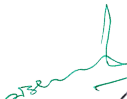

Embracing our collective responsibility, our students, faculty, and staff have made a solemn pledge to safeguard the environment by adopting ecologically conscious habits, reducing waste generation, conserving energy resources, and championing biodiversity preservation.

Through concerted efforts such as tree-planting drives, waste management campaigns, and enlightening workshops, we endeavor to empower our community, inspiring them to become conscientious environmental custodians. By synergistically channeling our knowledge, dedication, and resources, we aim to create a transformative impact, cultivating a greener and healthier future for the generations to follow.

We firmly believe that the preservation of our environment is not merely a moral obligation but an imperative for the sustenance of life on our planet.

Main motive of the program Go green is a step to conserve our nature and lead eco-friendly life, which will help us as well as nature to sustain the natural resources for future generations. A clean and green environment always calms our minds and helps us to reduce stress.

The event was conducted successfully with whole hearted participation and awareness about plants
