### **Report on Plantation Drive**

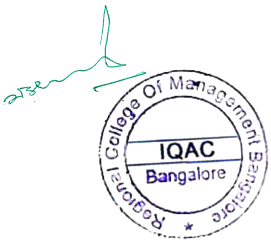

The staff and students of Regional college of Management Bangalore planted saplings in the garden of the college to raise awareness and consciousness about environment among the masses. Tree plantation is not just something that should be done; instead, it is a necessity, the urgent need of the hour on June 5<sup>th</sup> 2022.

Trees represent life, growth, peace and nature. They produce oxygen, clean soil, prevent drought, control flood related disasters, prevent soil erosion, improve physiological, mental and spiritual health, and also reduce carbon footprints.

The students prepared banners, raised slogans to create awareness among the community highlighting the importance of tree plantation to reduce air pollution.

The students were encouraged to plant tree saplings. All students took oath for planting tree saplings during them

We hope that such activities shall sensitize and encourage the students to “Love the trees until their leaves fall Off.
