Report on Segregation of Waste

Management Of Waste

Regional college of Management Bangalore is dedicated to minimizing its environmental impact through an efficient waste management policy that prioritizes waste reduction, carbon footprint and increased recycling. The college is actively participated in various waste management initiatives through Swachh Bharat Abhiyan, the most significant cleanliness program initiated by MHRD ministry on October 03rd 2021.

To ensure students have the required knowledge and understanding, as well as positive attitudes towards waste separation on campus, such as environmental education scientific activities and training pro-grams. In terms of waste separation knowledge,

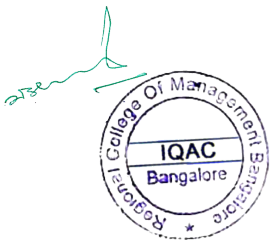

Initiative by college

Solid wastes from campus are segregated at source by providing separate color-coded waste bins at different locations in the campus.

The main motive of the program to achieve the 3R s principles such as Reduce, Reuse, and Recycle
