REPORT OF VALUE ADDED COURESES CONDUCTED FROM 10/08/2022 TO 26/8/2022 ON THE COURSE CALLED TECHNOLOGY IN EDUCATION.

Resource person: PROF. BALA ARYAN.

No of students attended:140

Course Duration : 30 Hrs

Pre-Requisite : None

Technology in education has revolutionized learning by making information accessible and interactive. It enhances engagement through multimedia, virtual simulations, and online collaboration, catering to diverse learning styles. However, its effectiveness hinges on thoughtful integration, ensuring it augments rather than replaces traditional teaching methods. As technology evolves, so too does its potential to democratize education and foster global connectivity, preparing students for a dynamic future.

OBJECTIVES: ON TECHNOLOGY IN EDUCATION

Preparation for Future Careers.
Customization and Differentiation.
Promotion of Lifelong Learning.
Innovation and Creativity.

Course Content:

The course on Technology in Education is designed for students with a hands-on and engaging approach. This approach equips students with valuable digital literacy skills, fosters creativity and problem-solving through technology, and prepares them for a future heavily influenced by technology. This is the breakdown of the course content that empowers students:

Introduction to Digital Learning:

Demystifying EdTech
Digital Citizenship
Exploring Learning Tools

Developing Digital Literacy Skills:

Information Literacy
