## REPORT ON VISIT TO OLD AGE HOME

On 2nd AUGUST 2018, the students of RCM Bangalore visited Sri Sai Dwarakamayee Old age home as a part of the social outreach programme. The students immersed themselves in the peace and beauty of this ethereal place., the students tried to connect with all the elderly people residing there talking to them about their families, how they are living here, their daily rituals and practices, also singing and dancing with them to make them feel warm and comfortable. Some were happy, some became emotional as they spent time with the students reminiscing their families.

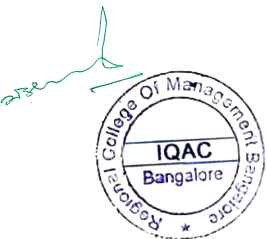

### ACTIVITY OF PROGRAM

1. RCM Bangalore and its students tried to provide them with certain basic necessities such as pulses, grains, rice, snacks, fruits etc. as a token of love and respect.
2. Students also conducted a thorough blood pressure test and instant blood test to check for diabetes among these people and prepared a health report for each one of them.

### OUTCOMES OF THE PROGRAM

1. To witness and form beautiful bonds with these amazing human beings. This beautiful initiative by RCM Bangalore definitely had a deep impact on the lives of its students.
2. It helped them understand the need of love and support that is an absolute necessity for their grandparents and made them realize the value of these lovely relationships that is to be cherished forever.

## REPORT ON BLOOD DONATION CAMPAIGN

Blood is one of the essential fluids in our body that helps in the smooth functioning of the Body. If the body loses blood in excessive amounts, people to get deadly diseases and even die. Thus, we see how blood donation is literally life-saving which helps people. The blood you donate gives someone another chance at life.

Students of Regional college of Management voluntarily participated in the Blood donation campaign on 12/08/2018 organized by "Indian Red Cross Society" District branch Chikkballapur.

Regular blood donation is linked to lower blood pressure and a lower risk for heart attacks. "It definitely helps to reduce cardiovascular risk factors.

The main objective of this Blood Donation camp is to save lives and improve the health of patients in need.

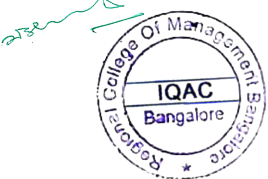

### Outcomes of the campaign

1. To wipe off the scarcity of blood and ensure availability of safe and quality blood and other blood components
2. The camp aimed to encourage voluntary blood donation and contribution towards saving lives in the community

This event's conclusion was marked by a thoughtful contemplation of the profound sentiment:

"The act of donating blood is the act of donating life itself."

## **REPORT ON SPECIALLY ABLED CHILDREN**

There are two different approaches to build relationships with your community: outreach and engagement. Outreach is the one-way process of informing others in the community about a choice, opportunity, problem, or concern. Students are made aware of their obligations to the community and society through outreach initiatives. Through the development of several abilities including developing cognitive abilities, social interaction etc, it also advances the educational purpose of citizenship training. Students from Regional College of Management Bangalore visited an orphanage on **November 15, 2018**, as part of a social outreach event at Sarvodaya Service Society, a life-Lite Residential Special School for Mentally Challenged Children in Vijipura, Bangalore. A fundraising drive was spearheaded by students from Bangalore's Regional College of Management to benefit an orphanage for children with special needs.

RCM Bangalore and its students tried to provide them with certain basic necessities such as pulses, grains, rice, snacks, fruits, pencil, etc.

**A brief listing of activities done by students is given below**

1. 29 Students took an active participation in program
2. Distribution of items like biscuits, snacks, pencils, books etc.

### **Objectives of the program**

1. Develop persuasion skill
2. Develop responsibility towards community
3. Generate leads and conversions
