Report on Language and Communication Skills

Developing communication skills among students is essential for their academic success and future career opportunities

Language and Effective communication are essential for establishing and maintaining healthy relationships. Good communication helps to create a sense of trust, respect, and understanding between people, which is crucial for building strong connections among students

Resource person Prof. Tapas Panda, helped students to understand the importance of soft skills in day-to-day life, Also Encouraged students to embrace change and new ideas.

A brief listing of activities done by students is given below

1. 36 Students took an active participation in program
2. Pick and speak activity were conducted

Objectives of program

1. Students are more likely to seek knowledge and continue their education beyond formal schooling.
2. Students learn to present their ideas clearly and confidently in front of an audience
3. Helps students to express ideas and feelings

This Integrating these strategies into the educational framework can significantly enhance students 'communication skills, making them well-rounded individuals prepared for various challenges.
